ENGINEERING FOR DIGITAL EXCELLENCE

Indium Software is a fast-growing Digital Engineering company, offering Data Engineering, Analytics, Application Engineering, Low Code, Cloud and Digital Assurance solutions for clients.

Over the past two decades, Indium has built deep relationships with Fortune 500, Global 2000, as well as born-digital companies across industries such as Financial Services, Health Sciences, Technology, Gaming, Retail and Manufacturing—in North America, India, Europe, and APAC. It has also built strong partnerships with leading low-code, cloud, and data partners such as Mendix, AWS, Azure, GCP, Striim and Databricks.
